Introducing Potato Dippers

A perfect companion for drinks

A unique curved shape, designed for dipping and sharing, the Potato Dippers from Lamb Weston are an easy profit boosting potato solution for the hospitality industry.

A versatile product, allowing operators to tap into customer demand for light snacks and sharing platters at any time of day, Potato Dippers can be mixed and matched with different dips and flavour combinations. From light summer dips to creamy cheese fondue, the Dippers provide an opportunity for operators to add variety to simple menus, while increasing price margin and profitability.

Summer Sharer Recipe Ideas

Beetroot, Yoghurt and Mint Dip

Peel and cook **1.5kg beetroot**.

Add the beetroot, **2 peeled garlic cloves**, a **bunch of coriander**, a **bunch of mint leaves** and **2tbsp olive oil** into a food processor or blender and blend until smooth.

Add **125ml thick Greek-style yoghurt** and pulse quickly, just once or twice. Add a **pinch of salt** and refrigerate until ready to serve.

Spicy Honey Chipotle Dip

Combine **90g plain yoghurt**, **2 tbsp low fat mayonnaise**, **1 chipotle pepper in adobo sauce**, **1 tsp honey**, **1.4 tsp salt** and **1 tsp garlic powder** in a blender and blend until smooth.

Pour the sauce out into a small serving bowl and refrigerate until ready to serve.

Serves 4

Cheddar and Cider Fondue

Skin **2 cloves of garlic** and cut in half. Rub the base and sides of the pan with the cut side of the garlic to give a mild garlic flavour to the fondue dish

Pour **400ml dry cider** into the pan and heat gently

Gradually stir in **600g finely grated Cheddar cheese** and continue to heat gently until it has completely melted and the mixture is smooth

Blend **2tbsp cornflour** and a **pinch of dry mustard powder** to a smooth paste with **3tbsp brandy or sherry**, then stir in **2tsp Worcester sauce**

Pour the cornflour mixture into the cheese and stir over the heat until the fondue thickens

Season to taste, and serve immediately
